

Anti-Marketing Baby Registry Checklist

A SIMPLE CHECKLIST FOR SMARTER, CALMER CHOICES

Before adding anything to your registry, run it through these seven questions. Most unnecessary baby purchases fail at least one of them.

- | | | | |
|----|---|--|--|
| 1. |  | Does this solve a problem I actually have? |  Buy for today, not for a problem that might happen. |
| 2. |  | Can I borrow it or get it for free? |  Friends, family, local groups, and buy-nothing communities are gold. |
| 3. |  | Is this for my actual newborn, or a hypothetical future problem? |  Focus on newborn essentials first. Future needs can wait. |
| 4. |  | Would I buy this if Instagram never showed it to me? |  If the answer is no, it's probably marketing, not a must-have. |
| 5. |  | Am I solving a problem that doesn't exist yet? |  Don't solve future problems with today's money and space. |
| 6. |  | Can I get it within 48 hours if needed in the future? |  If yes, you don't need to store it, register for it, or stress about it now. |
| 7. |  | Does it make my life easier or harder to manage? |  Simplify your life. Choose what supports you, not complicates you. |

Buy less. Stress less. Decide better.
